

Inspiring Leadership Programme

Leading self; leading with others in a palliative care

Are you a registered health or social care professional or senior colleague working within Specialist Palliative Care in Scotland?

Would you like to cultivate leadership qualities and develop your leadership potential?

Then this is the programme for you!

Following the successful delivery of previous programmes we are now delighted to share our plans for running Cohort 8. Due to begin **September 2026**, the programme will run online over 12 months. Entry criteria includes applicants ensuring attendance at all 7 online classrooms days, having line manager support, and expressing a willingness to undertake a work based Quality Improvement project.

2026/2027 Online Classroom Days:

Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
16 th September 2026	4 th November 2026	19 th January 2027	2 nd March 2027	28 th April 2027	26 th May 2027	22 nd June 2027

Essential Learning Outcomes for participants will include:

- Building upon self-awareness, personal effectiveness and resilience.
- Exhibiting leadership behaviours consistent with creating an enabling culture for transforming services for patients and their families.
- Creating conditions where people can play to their strengths think creatively and work collaboratively to overcome obstacles to the change process.
- Providing effective leadership and management within teams and across professional and organizational boundaries focused on service excellence.

Programme fee: £400

Registration will open February 20th 2026 and close on April 3rd 2026.
